

A Message to our Valuable Guests:

Throughout this pandemic, we have been guided by one principle: To do what's right. Nothing is more important to us than the safety of Tapas Valencia's staff and guests. To achieve such a goal, we respectfully ask that all dining guests follow these requests.

- Upon arriving at Tapas Valencia, please call 312.842.4444 and check in with us. One of our staff members will let you know when the table is ready. This is to avoid any crowding and unsafe gathering of guests and staff.
- All guests must follow the social distancing guidelines when they are using the restroom.
- Guests must wear a cloth face covering any time they are not seated at the table (while being seated or leaving, or while going to the restroom).
- Hand sanitizer is available by the entrance and next to the bathroom for all staff and patrons.
- Your reservation is weather permitting. If it is raining or too cold, your reservation will be cancelled. A staff member will call to alert you of the cancellation.
- In case of rain during your visit, to-go containers will be provided and any items that have not yet been served to your table will be cancelled.
- We are asking for cooperation from guests to keep seating times to 2 hours or less. This is to provide the patio experience to as many people as we can within the set restrictions.
- We are encouraging guests to use credit cards or debit cards for payment to reduce the handling of cash by staff members.

Thank you for your cooperation!
